

# CREATE Your Own Website

## GhostWriter | GoDaddy

6 easy steps to creating your own customized website. Your branding. Your USP. All you need is a cool photo and a GoDaddy Domain name.

### 1 Login & Choose Template

- Login to [GoDaddy's Website Tonight](#)
- Select template: Family Book
- Pick your preferred Color Scheme by clicking the square boxes on the right hand portion.
- Scroll to the bottom & click Work On My Site.

### 2 Upload Your Photo

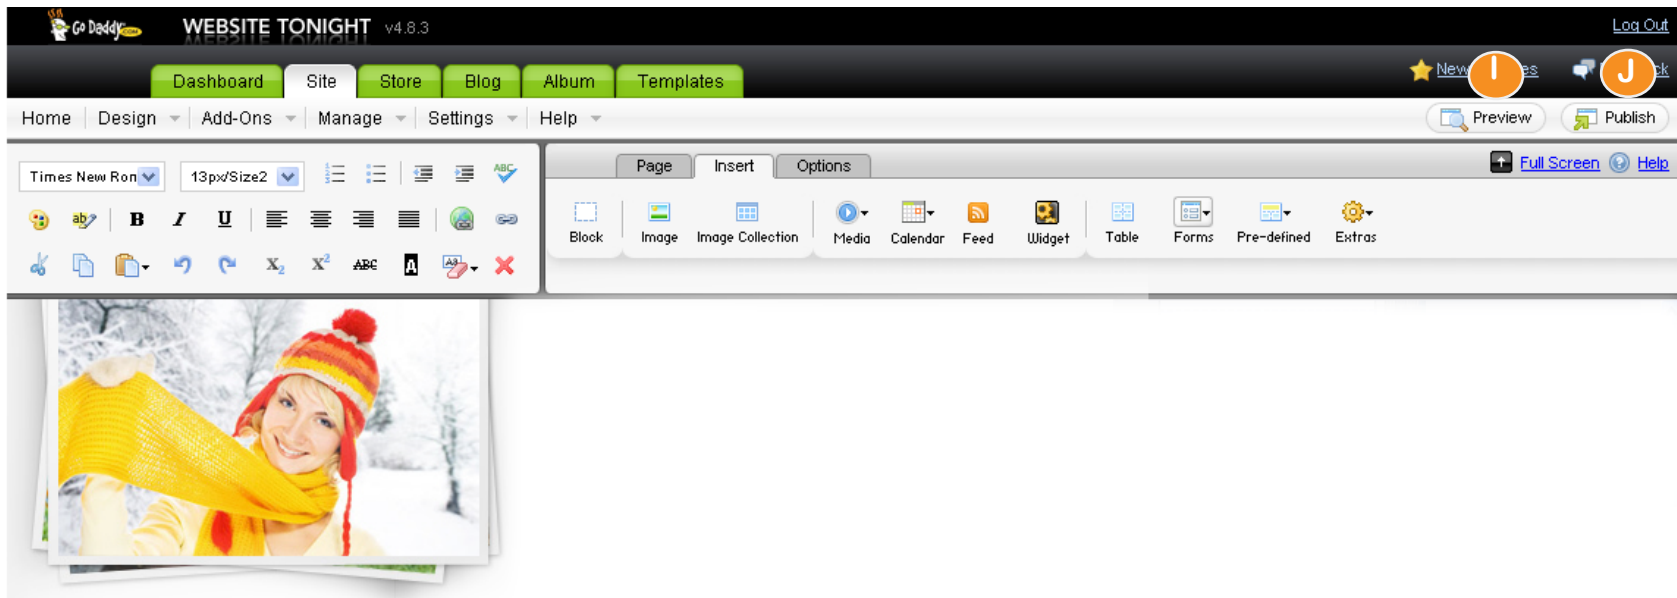

- On the Design Page, click Page tab (A) - Change Background Image or you may simply Double Click the image header.
- Click Upload Image, Browse then Upload your coolest photo. Refresh (F5) when done.

### 3 Add Contents & Pages

- Type title in Your Title Text box (B). Also type in your Homepage contents.
- Use the Formatting Tools (C) at the upper left hand corner of the page to change font settings.
- Don't forget to add your USP or Tagline.
- On the Top Menu, click Add Pages (D) - Blank Pages. Click Add Page button then change the Titles respectively (i.e. Services, Contact Form).
- Refresh (F5) or click Design Tab (E) - then Launch Page Designer.

### 4 Add Hyperlinks

- Goto Portfolio page.
- Type My Sample Writing (any text will do).
- Click Manage - Upload Files & Images (F).
- Browse thru your file and upload.
- Go back to the Content and highlight My Sample Writing.
- Click Hyperlink Icon (G) - Create Link - Upload and then choose your sample file.

### 5 Add Feedback Form

- ✦ Goto Contact Me page
- ✦ From the top menu click Insert - Forms (H)- Contact Form. A form will be inserted.
- ✦ Click on the form then choose Edit Form from the top.
- ✦ Validate Email To: Field. This is the email address where you'll get submitted Contact/Feedback Forms. Adjust form as necessary.
- ✦ Click Save when done.

### 6 Preview & Publish

- ✦ When you are done designing your pages, click Preview Page (I). Double check spelling and site content. Check your links.
- ✦ Click Publish (J) - Backup - Publish All.
- ✦ Once published, your website will be visible to everyone online! Congratulations!
- ✦ You may follow same steps outlined in this tutorial to edit/redo your website.
